REASONS FOR ALLOWANCE

1. The following is an examiner's statements of reason for allowance:

Claims 1-9 and 1-20 are allowable over the prior art of record.

The examiner has found that the prior art of record does not appear to teach or suggest or render obvious the claimed limitations in combination with the specific added limitations as recited in independent claims and subsequent dependent claims. The prior art of record fails to teach or suggest a method and system for provisioning users with resources based on applicable provisioning policies wherein the resources including at least one hard resource as argued by applicant [see Remarks of Amendment filed on Oct 08, 2004] and also fails to teach or suggest a method and system for provisioning users with resources based on applicable provisioning policies wherein plurality of resource provisioning policies are defined utilizing decision statements that allow irrelevant steps to be bypassed as set forth in the specification and recited in the independent claims.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
